

Alicia McCormick

Alicia McCormick, is the straight-laced alter ego of Burlesque sensation Cookie von Tastee. A diverse performer, singer and character actress, Alicia has been seen in 2018's all female version of *The Taming of the Shrew* playing Katherine, Neil LaBute's dark and menacing *bash*, the character comedy MATE as well as the bootscootin' cowboy cabaret *Angels on Horse back: Reloaded*. Other credits include the cult hit and Ovation Award winning sketch comedy *Dirty Words*, *The Things You Left behind* which won a coveted Silver Ovation award at the NAF in 2014, as well as comedies *An Absolute Turkey* and *Hitched* and of course, more children's theatre than you can shake a stick at.
