

Amy Saville

Having grown up performing on stage, Amy is a dynamic voice artist with years of experience. She has lent her voice to plenty of big-name brands and clients, as well as radio stations across the country. Her flexible skills allow her to adapt to most every style with flair. Most recently, she landed the lead role of 'Tony Thompson' in the international animated feature film - The Little Vampire 3D (Worldwide Theatrical Release: Halloween 2017) Watch the trailer here: [The Little Vampire](#)
