

Mazwi Biyela

Mazwi Biyela, affectionately known by most as MJ, is a professional radio presenter, content producer, voice artist and MC who hails originally from KZN.

He has worked for a number of KZN radio stations namely East Coast Radio, VumaFM, GagasiFM and Hi-Way Radio as either an on-air presenter or a content producer. He has also worked for radio stations such as 702 and CapeTalk and TV Channel eTV. He has also done station imaging for other radio stations in the country namely Vuma FM, Rise FM and Vibe FM.

His combined experience as a radio presenter, content producer, voice over artist and MC spans over 10 years.

Mazwi has had the honour and privilege of also lending his bold and sultry voice to big name brands such as Dunlop, Chevrolet, Absa Bank, Supersport, Mnet, eTV and Audi just to name a few and has also worked for many radio stations over the years. His wealth of experience, ability to find new creative ways to execute this plethora of fresh ideas and ever so lively persona makes him a valuable asset. Radio and TV are his second passion after fatherhood. He is die-hard perfectionist, always committed and punctual. Great interpersonal skills and true hard-worker who is deeply dedicated to what he loves doing. He calls it his 'calling'.

Home studio equipment: I have a fully equipped Nuendo 11 Audio Post Production Suite, including a sound booth for voice recording and paired of with ultra low noise multi-pattern Rode NT2-A Condenser microphone
